Projects at DLN a Glance:

Sl:No	Project	Objective	Project Period	Supported by
1	Promoting Access To Care & Treatment	Treatment Adherence & Support Net Group	April 2010 to March 2013	Population Foundation of India

Background of PACT Project

Project Goal

To complement the National Programme in improving the survival and quality of life of PLHIV.

Objectives:

- ◆ To provide psycho-social support to PLHIV and address issues of stigma and discrimination
- ◆ To enhance the linkages between testing and ART service provision centres in order to increase the tracking of PLHIV to treatment, care and support services
- ◆ To promote follow-up of PLHIV initiated on ART to increase compliance to treatment adherence through appropriate follow-up mechanisms
- ◆ To develop and strengthen linkages for enhancing the health needs of PLHIV, including sexual and reproductive health
- ◆ To create an enabling environment, improve access to social security schemes and income opportunities for PLHIV

Strategies :

Objective 1: To provide psycho-social support to PLHIV and address issues of stigma and discrimination

The first objective is to enable the development of community systems to provide psycho-social support to PLHIV. This will largely be done through Support Net and advocacy at the district level.

- ❖ Formation of support-net at block level
- ❖ Peer counselling and support
- ❖ Generating the block wise list of clients from the CMIS for follow-up
- ❖ Outreach at the village levels

- ❖ Peer education to promote adherence and positive living quality
- ❖ Identifying the gaps and issues
- ❖ Advocacy to address stigma and discrimination at various settings
- ❖ Strengthening the support net
- ❖ Support-net monthly meetings on economic opportunities and activities.
- ❖ Collection of savings and deposits
- ❖ Selection of group economic activities on viabilities and potential
- ❖ Raising capital and credit for selected economic activities

Current HIV statistics at Tiruvannamalai

- ❖ The Tiruvannamalai District consists of 24,68,965 in population
- ❖ 6,500 is the estimated PLHIV in the district of Tiruvannamalai

Major Advocacy done

1. **Advocacy issue :** Revathy HIV infected person admitted the CCC hospital at the time she was expired. Revathy parents had taken revathy body in ambulance go to native place on the way ambulance accident Revathy parents died revathy body very damaged. Revathy relative creative the problem in the CCC Hospital at the time CCC hospital manger and DPM asked to TDHPS+ president this problem face it.

With whom: : TDHPS+ president speak to revathy relative and counseling they are accepted and problem solved

Outcome of the advocacy: Tamil Nadu chief minister declare road accident death revathy parents issue the relief fund each one lake rupees and CCC Hospital management taken from revathi funeral expense.

Any activities related Sustainability? Future plan for sustainability?

- ❖ We will apply 80G and FCRA
- ❖ Try to get vocational training for PLHA's
- ❖ Strengthening the Children welfare fund's through women's forum
- ❖ We will computerized the accounts using Tally
- ❖ We will arrange for network own building
- ❖ We will arrange for Children higher education through trust

- ❖ We motivate the people to take ART without Defaulter.
- ❖ To sustainability through Support Net for own business

Challenges faced? Way to overcome the challenges? Expectation to overcome the Challenges?

There is no list provided from Defaulter

Whether quality of PLHA Life improved or not?

- ❖ Stop poverty and Youth with a mission issued 120 Members received nutrition food (manna health powder). Nutrition food issued every month in August 2012 to as on date.
- ❖ Belongs to Tiruvannamalai District HIV Positive Society, we recommended 8 member and The District Collector to give (TAHDCO Loan) small Scale Industry (Petty Shop, Milch Animal and Cutpiece loan)
- ❖ Two people got tailoring Machine from RED Cross society in this two members were our support Net group.

Conclusion

Through the Promoting Access to Care and Treatment Project we are sustainable Documentation, Referral Linkages, Capacity Building, CMIS, Support net group formed and programme We are also able to identify more and more people living with HIV/AIDS day by day and able to provide the core components that is Networking, Advocacy and service delivery.
